**IDAHO SENATOR MIKE CRAPO SCHEDULED FOR VISIT TO
PRIMARY HEALTH MEDICAL GROUP ON FEBRUARY 18**

Boise, February 16, 2009 – Primary Health Medical Group will host Idaho Senator Mike Crapo at one of their medical clinics on Wednesday, February 18, 2009. Senator Crapo is making the visit to the company’s Crossroads location (3115 E. Florence Street, Meridian) to discuss Primary Health Medical Group’s efforts to increase access to care, their use of electronic health records, and their focus on quality care while controlling costs.

“We are pleased to have this opportunity to share our patient care model with Senator Crapo,” said David Peterman, M.D., President of Primary Health Medical Group. “Any occasion to demonstrate how we successfully guide patients through the health care system is time well spent. And for that time to include Senator Crapo proves even more beneficial to the residents of Idaho as health care continues to be in the forefront of policy and politics. We appreciate Senator Crapo choosing Primary Health Medical Group, an Idaho based company, as a resource to learn more about Electronic Health Records and health care.”

Boise-based Primary Health Medical Group is a multi-specialty medical group that was created by physicians who have practiced in Idaho for more than twenty years. The group sees over 200,000 patient visits a year through multiple clinics located in Boise, Meridian, Eagle, Nampa, and Caldwell. The majority of the clinics offer appointment family practice and urgent care services and are staffed by family practitioners, physician assistants and nurse practitioners. The group also has physicians in pediatrics, obstetrics and gynecology, dermatology, occupational medicine, and ear, nose, and throat.
