**FOR IMMEDIATE RELEASE**

**JAMES YERGER, MD AND JOHN E. WHITE JOIN  
PRIMARY HEALTH MEDICAL GROUP FAMILY PRACTICE**

Boise, June 4, 2009-- Primary Health Medical Group is pleased to announce the addition of two new Family Practice Physicians to the medical group. James Yerger, MD has opened a new Family Practice at the new State Street Clinic located at 6052 W. State Street in Boise. John E. White is opening a new Family Practice at the Overland Clinic located at 8971 W. Overland Rd in Boise. Both providers are accepting new patients to their practice and accept over 2,000 different types of insurance.

Dr. Yerger graduated from the University of Colorado Health Sciences and completed his Residency at the Cascades East Family Practice Residency. For the past several years, he has been practicing in the Primary Health Medical Group Overland Clinic Urgent Care. He is excited to begin forming health care relationships with patients and working with them towards better health. His practice opened on June 1<sup>st</sup>, in conjunction with the opening of the new State Street Clinic. Appointments can be made by calling (208) 344-7799.

Dr. White graduated from UCLA and UC Berkeley and received his MD from Jefferson Medical College in Philadelphia, Pennsylvania. For the past six years, Dr. White has seen patients in a Family Practice setting in Ogden, Utah. Prior to becoming a Medical Doctor, he worked as a Doctor of Optometry (Optometrist). His practice is now accepting new patients in anticipation of his June 15<sup>th</sup> start date in the clinic. Appointments can be made by calling (208) 378-4288.

Boise-based Primary Health Medical Group is a multi-specialty medical group that was created by physicians who have practiced in Idaho for more than twenty years. The group sees over 200,000 patient visits a year through 12 clinics located in Boise, Meridian, Eagle, Nampa, and Caldwell. The majority of the clinics offer appointment family practice and urgent care services and are staffed by family practitioners, physician assistants and nurse practitioners. The group also has physicians in pediatrics, obstetrics and gynecology, dermatology, occupational medicine, and ear, nose, and throat. Find more information about Primary Health Medical Group at [www.phmgidaho.com](http://www.phmgidaho.com).
